On behalf of all creators, as the responsible author of the article, I warrant that:

1. I/We hereby assign all current and potential copyrights to the Association Journal of Interdisciplinary Technics in Engineering Mechanics, operational the date of acceptance of the mentioned above work for publication.

2. The manuscript above is my/our original work, free of fabrication, fraud, or plagiarism, and was not previously published anywhere (in print or electronic form on the internet/discussion groups/electronic bulletin boards), nor has it been submitted or considered for publication elsewhere.

3. The manuscript is not in violation of any existing copyright or other third-party rights, nor does it contain any obscene, libellous, or otherwise unlawful material, and I/we agree to defend the Editors against all claims and expenses (including legal costs and expenses) arising from a breach of this warranty and the other warranties made on my/our behalf in this agreement.

4. That I/we gained permission to use and recognized the original authors of any drawings, figures, or other materials used in the manuscript for which I/we am not the copyright holder(s). I/we also grant the editors the authority to modify/change the title of the manuscript based on the reviewers' observations.

5. All authors acknowledge that they meet the authorship requirements specified in the Journal's Instructions for Authors and that if the manuscript or any part of it turns out to be incorrect or fraudulent, they share responsibilities.
